Super cute and good quality. Picture makes the hat look a bit larger than what it really is. I have a big head I feel like it fits me great BUT I just wish it was a bit more oversized.

this hat is super adorable and it's as expected the fun part is that it's reversible but doesn't have a tag on the inside so it doesn't stick out when you reverse it it is great in the sun although it may get a little hot

I really like it, love the smiley face. It fits well but I wish I would have looked around a little more. I work outside a lot and it can get really windy. The wind will just take my hat sometimes since there are not adjustable strings. However, on non windy days I love it and so do my coworkers!

Bought this for my 8 year old and it fit perfectly! Should be able to wear it for a couple of years before outgrowing it. The quality of the material is durable and thick, looks like it will hold through plenty of wear and tear.

Nice but hard to keep the white clean if used on the inside-makeup/ sunscreen rubbed on it.

I loved this hat so much! It's so cute and looks great on both sides. Got compliments each time I wore it. Unfortunately I lost it at the river but I already want another!

I have a fairly large head and most bucket hats give me a headache after wearing them for a bit. But this bucket hat fits perfectly and doesn't give me headaches/thats too tight feeling. I also love that this hat is reversible so I can change the pattern depending on the vibe

4.5 Just what my kid wanted

Reviewed in the United States on December 27, 2022

Love that it's reversible. The black with white smiley is perfect for any look and the cow print can live up basic looks. A very early 00's look that's just the right amount of funky.

3.5 Cute but too small for my big ol' head!

Reviewed in the United States on January 8, 2023

Super cute but I have a big head. Returned it immediately. I hoped there would be enough stretch to work but there wasn't. I imagine I could have really pulled but that would have guaranteed a headache.
